

## Daftar Isi

|                                                                                  |      |
|----------------------------------------------------------------------------------|------|
| LEMBAR PENGESAHAN .....                                                          | i    |
| LEMBAR PERNYATAAN .....                                                          | ii   |
| SURAT KETERANGAN PERNYATAAN PUBLIKASI .....                                      | iii  |
| <i>ABSTRACT</i> .....                                                            | iv   |
| ABSTRAK.....                                                                     | v    |
| KATA PENGANTAR.....                                                              | vi   |
| Daftar Isi .....                                                                 | viii |
| Daftar Tabel .....                                                               | xii  |
| Daftar Rumus.....                                                                | xiii |
| BAB I           PENDAHULUAN.....                                                 | 1    |
| 1.1          Latar Belakang .....                                                | 1    |
| 1.2          Identifikasi Masalah .....                                          | 7    |
| 1.3          Rumusan Masalah .....                                               | 8    |
| 1.4          Batasan Masalah.....                                                | 9    |
| 1.5          Tujuan Penelitian.....                                              | 9    |
| 1.6          Manfaat Penelitian.....                                             | 10   |
| 1.7          Waktu Penelitian.....                                               | 10   |
| 1.8          Sistematika Penulisan.....                                          | 10   |
| BAB II          TINJAUAN PUSTAKA .....                                           | 12   |
| 2.1          Inflasi .....                                                       | 12   |
| 2.1.1      Pengertian Inflasi.....                                               | 12   |
| 2.1.2      Variabel Yang Mempengaruhi Inflasi .....                              | 15   |
| 2.2          Peramalan.....                                                      | 16   |
| 2.2.1      Jenis- Jenis Metode Peramalan.....                                    | 17   |
| 2.2.2      Jenis Pola Data Peramalan.....                                        | 18   |
| 2.2.3      Jangka Waktu Peramalan .....                                          | 20   |
| 2.3          Deret Waktu ( <i>Time series</i> ) .....                            | 21   |
| 2.4 <i>Univariat Time Series</i> .....                                           | 21   |
| 2.5 <i>Bivariate Time Series</i> .....                                           | 22   |
| 2.6 <i>Multivariat Time Series</i> .....                                         | 22   |
| 2.7 <i>Deep Learning</i> .....                                                   | 23   |
| 2.8          Jaringan Saraf Tiruan ( <i>Neural Network</i> atau <i>NN</i> )..... | 26   |

|         |                                                             |    |
|---------|-------------------------------------------------------------|----|
| 2.8.1   | Tahapan Pemosresan Informasi <i>Neural Network</i> .....    | 28 |
| 2.8.2   | <i>Artificial Neural Network (ANN)</i> .....                | 30 |
| 2.9     | LSTM ( <i>Long Short-Term Memory</i> ) .....                | 31 |
| 2.9.1   | Ide Inti Dibalik LSTM.....                                  | 35 |
| 2.9.2   | Langkah-Langkah LSTM ( <i>Long Short-Term Memory</i> )..... | 36 |
| 2.9.3   | Konsep Dasar LSTM ( <i>Long Short-Term Memory</i> ) .....   | 38 |
| 2.10    | Bahasa Pemograman <i>Python</i> .....                       | 39 |
| 2.11    | Adaptive Moment Estimation (Adam) .....                     | 41 |
| 2.12    | Evaluasi .....                                              | 42 |
| 2.13    | Penelitian terdahulu.....                                   | 44 |
| BAB III | METODOLOGI PENELITIAN .....                                 | 55 |
| 3.1     | Tempat dan Waktu Penelitian .....                           | 55 |
| 3.2     | Perangkat Penelitian .....                                  | 55 |
| 3.2.1   | Perangkat keras ( <i>Hardware</i> ).....                    | 55 |
| 3.2.2   | Perangkat lunak ( <i>Software</i> ) .....                   | 55 |
| 3.3     | Tahapan Penelitian .....                                    | 55 |
| 3.4     | Uraian Metodologi Penelitian.....                           | 57 |
| 3.4.1   | Pengumpulan Data .....                                      | 57 |
| 3.4.2   | Pemrosesan Data .....                                       | 58 |
| 3.4.3   | Normalisasi Data .....                                      | 59 |
| 3.4.4   | Pembagian data .....                                        | 60 |
| 3.4.5   | Model LSTM ( <i>Long Short-Term Memory</i> ) .....          | 62 |
| 3.4.6   | Pelatihan Model LSTM .....                                  | 62 |
| 3.4.7   | Evaluasi.....                                               | 63 |
| 3.4.8   | Denormalisasi Data .....                                    | 64 |
| 3.4.9   | Prediksi.....                                               | 65 |
| BAB IV  | HASIL DAN PEMBAHASAN .....                                  | 66 |
| 4.1     | Persiapan Data.....                                         | 66 |
| 4.1.1   | Data Target Inflasi dan laju Inflasi.....                   | 67 |
| 4.1.2   | Data Nilai Tukar Rupiah (IDR) terhadap Dolar AS (USD).....  | 69 |
| 4.1.3   | Data Jumlah Uang Beredar M2 .....                           | 71 |
| 4.1.4   | Persentase <i>Year-On-Year (Yoy) Growth Rate</i> .....      | 72 |
| 4.2     | Pemrosesan Data .....                                       | 74 |
| 4.3     | Normalisasi Data .....                                      | 77 |

|                |                                           |    |
|----------------|-------------------------------------------|----|
| 4.4            | Pembagian Data.....                       | 79 |
| 4.5            | Model LSTM (Long Short-Term Memory) ..... | 81 |
| 4.6            | Pelatihan Model LSTM .....                | 83 |
| 4.7            | Evaluasi .....                            | 84 |
| 4.8            | Denormalisasi Data .....                  | 88 |
| 4.9            | Prediksi.....                             | 90 |
| BAB V          | KESIMPULAN DAN SARAN .....                | 91 |
| 5.1            | Kesimpulan .....                          | 91 |
| 5.2            | Saran .....                               | 91 |
| Daftar Pustaka | .....                                     | 93 |
