CHAPTER IV

CONCLUSION AND SUGGESTION

This chapter is generally concerned with the conclusion and suggestion of the job training report. The writer writes some points which consist of all materials from each chapter of this report. Then, the writer writes some suggestions which consist of some suggestions to The Radio Republik Indonesia, The Faculty of Literary of UNIKOM, The Department of English Literary of UNIKOM and The Student of UNIKOM who will do the next job training.

4.1 Summary

As long as the writer analyzed the differences, the writer assumed three things; first, in live reporting, the preparation of in-event live reporting is simpler than the preparation of non-event live reporting; the writer assumed that since the writer just figured out information about the event by searching it in goggle. Second, the costume of non-event live reporting is simpler than the costume of in-event live reporting; the writer did not need to wear the costume which was polite, because the event was not formal. Third, the devices of in-event live reporting is more complete than the devices of non-event live reporting; the writer used all of devices in - event live reporting, because this event is formal.

4.2 Suggestions

4.2.1 Suggestion to the Institutions

RRI should concern about the amount of students who will conduct job training, so that, every student can be controlled by advisor. RRI also has to add some facilities, such as: tape recorder for reporting news, and computer for supporting the student who conducts the job training there.

4.2.2 Suggestion to the Faculty of Letters

The faculty of letters is expected to enable the requirements of job training for the students who want to do the job training; especially, the students can more easily get the form of job training form faculty.

4.2.3 Suggestion to English Department

The department is expected to make coordination with some companies in order to help the students to conduct the job training.

4.2.4 Suggestion to the Student

To the student who will conduct the job training, the students have to get a wider knowledge about reporting. Therefore, it is suggested to the students of English Department to practice a lot their speaking and reading skills.
