CHAPTER IV

CONCLUSIONS AND SUGGESTIONS

4.1 Conclusion

During job training In the Programming and Cooperation Division at Research Center for Water Resources (PUSAIR), the writer had to translate the English booklet entitle “60 Years of Service for Your Safety and Well-being” into Indonesian. When translated the booklet, the writer found hyphen used in the booklet has caused some difficulties to find the meaning of the hyphen words. So the writer has found out the meaning of that word in the dictionary, and found out the lexical equivalent to make the idiomatik translation.

4.2 Suggestion

4.2.1 The Writer

The job training activities can be useful in the next step for student to do the real job not only in the education institution but also in company or other institution.

4.2.2 The Other Student

This paper can give the reference to the next student for their knowledge in the study at UNIKOM.

4.2.3 Faculty of Letters

The English department should give a list of references about the place where the students do job training.
