ACKNOWLEDGEMENT

First and for most, I am grateful to God for the good health and wellbeing that He has blessed me with even though I am so far away from my country, His greatness and goodness has seen me through to complete this thesis.

I wish to express my sincere thanks to Rector of Universitas Komputer Bandung Dr. Ir. H. Eddy Suryanto Soegoto, M.Sc. for building such a wonderful Institution with all the necessary facilities to study in and complete my research for my bachelor's degree. In addition I would like to extend my sincere gratitude to the International Student Director Prof. Dr. Hj. Umi Narimawati, Dra. SE, M.Se. and Assistant Director Pak Inta Budi Setya Nusa, SE., M,AK for always being there for the international Students when need arise.

I also would like to extend my sincere thank you to Prof. Dr. H. Denny Kurniadie, Ir, M.Se. The Dean of the Faculty of Engineering and Computer Science for the continuous support in keeping the department running effectively. To Ibu Citra Noviyasari, S.Si, M.T, Head of Department for Management Information System, also as my Supervisor (Dosen Wali) and Ibu Imelda, I am extremely thankful and indebted to both of you for sharing expertise, sincere valuable guidance and encouragement towards my studies until my final research thesis

I am also grateful to all the Lecturers in the Department of Information Management System who have taught us through till the final research paper. Furthermore, my gratitude to all the staff of the department of Management Information System who are always faithful in keeping the department operate effectively. My heartfelt gratitude to the following very important people in Universitas Komputer Bandung.

1. Dr. Ir. H. Eddy Suryanto Soegoto, M.Sc. The Rector of Univeristas Komputer Bandung-Indonesia
2. Prof. Dr. Hj. Umi Narimawati, Dra. SE, M.Se. Direct of International Student

3. Pak Inta Budi Setya Nusa, SE.,M,AK. Assistant Director of International Student.
4. Prof. Dr. H. Denny Kurniadie, Ir, M.Se. The Dean of the Faculty of Engineering and Computer Scinence.
5. Ibu Citra Noviyasari, S.Si, M.T. Head of Department for Management Information System and Lecture in charge of Thesis.
6. Ibu Imelda.ST.,MT. Assistance Lecturer in charge of Thesis.

I take this opportunity to express gratitude to all of the Department faculty members for their help and support. I also thank my course mates, especially my Papua New Guinean friends for been there always in good times and bad times until finally completing this research thesis.

Last but not the least; I take this opportunity to express the profound gratitude from my deep heart to my beloved parents, Mum and Dad, grandparents, and my siblings for their love and continuous support both spiritually and materially. I also would like to thank my Indonesian family in the church that I attend, thank you all for being there always when I needed a family here in Indonesia.

Finally I extend my sense of gratitude to one and all, who directly or indirectly, have lemt, their hand in this venture to build me up.
