WELCOME TO LIBRARYBUILDINGS.INFO *The library space is changing considerably in these years. Focus is more and more on the user, on the library as an exiting place and less on the collection. Libraries tend to play a more central role in city planning and city design than before. To support this development we need quick access to what is new for inspiration and decision on new concepts.* *Read more*

BESSER LERNEN

Für die Schule lernen ist oft nervig und mühsam: Manchmal fällt es einfach besonders schwer, die Bücher aufzuschlagen. Doch wenn ein wichtiger Test oder eine Schulaufgabe bevorstehen, hilft leider alles nichts. Dann heißt es: Ran an den Schreibtisch, das Gehirn trainieren und ordentlich lernen.

Hier haben wir dir ein paar hilfreiche Tipps zusammengestellt:

Weg mit dem Chaos: Sorg' für Ordnung!
Nur das Nötigste kommt auf den Schreibtisch! Wichtig: Trinken bereitstellen, denn zu wenig Trinken ist schlecht für das Gehirn und für das Lernen.
