This study intends to find out the meaning of the poem "Aku" by Anwar in the book Aku Ini Binatang Jalang. The purpose of this research is to know the thought Anwar, the scope of the current culture and the meaning of a text generated commentators thought of the poem "Aku" by Chairil Anwar in the book Aku Ini Binatang Jalang.

This research is a qualitative study using hermeneutic analysis by Paul Recouer. Data collection techniques used is the study documentation, literature, and online data retrieval. Objects that analyzed a poem "Aku" contained in the book Aku Ini Binatang Jalang.

The results, showed that there are three meanings according to the hermeneutics of Paul Recouer. Meaning Chairil thinking embodied in the poem "Aku" describes the expression of death Chairil and also struggle without ceasing for independence of every individual who is also related to the scope of the cultural meaning of the poem as "Aku" is generated that is, that the poem "Aku" It also represents the condition of the Japanese occupation of Indonesia for independence. While commentators thought that the meaning can be drawn that the interpretation of the poem "Aku" is very diverse, it is related to the background of interpreters when interpreting the text.

From the results of this study concluded that the autonomous nature of the text has to be interpreted by the reader. In accordance with the call Paul Recoure challenged otonomisasi text. Suggestions that researchers can further provide for poets to create works that can describe the condition and background of a scene, so that the reader can better interpret the poem.
