ABSTRACT

Nurul Hasanah 44304067. The influence of Ariel Sharon¶s Visited to Masjid Al Aqsha on Resurgence of the Second Intifadah in Palestine. International Relations Programme Study. University of Komputer Indonesia. Bandung. 2009.

This research had a purpose to know as big the influence of Ariel Sharon¶s Visited to Masjid Al Aqsha on Resurgence of the Second Intifadah in Palestine since 2000 to increasingly the Islam Jihad size in Palestine for the existence Second of Intifadah.

Israel and Palestine is a study of this research, using the Descriptive Research Method Analysis of data gathering techniques and research through the study of literature. So that the method of study can be a hypothetical "Ariel Sharon Visit to Masjid Al Aqsha very influential resurgence struggle against the people in the Palestinian people or the government of Israel to defend the existence of the Masjid Al Aqsha. Resurrection intifadah struggle is caused by the actions of Ariel Sharon to do a political visit to Masjid Al Aqsha with the Israel Police entered the Masjid Al Aqsha and this is seen as a provocation that trigger anger Muslims, because Ariel Sharon and remember the party Likudnya has strict policy not to would withdraw from the region, expanding Jewish settlements and to reject negotiations on the position of Jerusalem where the Masjid Al Aqsha in it. "

The conclusion of this research is that the visit of Ariel Sharon made to Masjid Al Aqsha made trigerred furiosity of all Muslims, especially Muslims in the Palestinian Al- Masjid Aqsha as a Muslim by the whole nation regarded as a holy place and purity must be maintained and visited by Ariel Sharon who have political goals, and with thousands of police to bring Israel into the Masjid Al Aqsha so that the second cause Resurgence intifadah.

Keywords: Ariel Sharon visits, Masjid Al Aqsha, The second of intifadah
