

ACKNOWLEDGEMENT

First of all, I would like to thank God for giving me the great opportunity and guiding me with my life journey. Then I would like to thank my family for their great support in every path I take to achieve my goals.

I specially give my great gratitude and appreciation to Behasiswa Unggulan Indonesia as the major sponsor to my scholarship in Indonesia and also to University Komputer Indonesia (UNIKOM) for the great acceptance for me to achieve a Bachelor degree majoring in Management Information System successfully. From that, I would kindly say many thanks too the Rector for his University Komputer Indonesia, West Java, Bandung, Dr. Ir. H. Eddy Soeryanto Soegoto, M.Sc., for the great University facilitate with good knowledge management and up bringing students to reach their higher standards of education level. Then also many thanks to the main body of the school managements, administrations, staffs and lectures for their best corporation to me during my studies. To International Student Director Prof. Dr. Hj. Umi Narimawati, Dra. SE, M.Se. And the Assistant Director Pak Inta Budi Setya Nusa, SE., M, AK for being always there for international Students when needing further assistance and managing the international students. Lastly I would say many thanks to The Head of Department for Information System Management, and Ibu Imelda Pangaribuan, ST., MT, as part of my Guardian Lecturer and my Supervisor to my Thesis project, I am extremely thankful and indebted to you for sharing your expertise, sincere valuable guidance and encouragement towards my studies, up until the completion of my final research thesis.

Finally thank you for all guiding me to where I am today. Thank you. God bless.
