Bandung, July 2010

Raden Chandra Natakusumah

Tuntutlah ilmu, sesungguhnya menuntut ilmu adalah pendekatan diri kepada Allah Azza wajalla,
dan mengajarkannya kepada orang yang tidak mengetahuinya adalah sodaqoh.
Sesungguhnya ilmu pengetahuan menempatkan, orangnya dalam kedudukan terhormat dan mulia (tinggi). Ilmu pengetahuan adalah keindahan bagi ahlinya di dunia dan di ahkirat. (HR. Ar-rabii')

If you can not make it,
So you have not to deprave it.
- Taken from Child Community to Our World-

I specially dedicate this skripsi
For my incredible people in my life:
My Mother and my father…
