PERSONAL SUMMARY

During my two years of experience as a teacher in one of the award-winning English course in Indonesia, I learned a lot about how to deal and communicate to people with different needs and personalities. Having graduated from Visual Communication Design major at UNIKOM, means I am also able to communicate visually as well as I can verbally.

AREAS OF EXPERTISE

- Fluent in spoken and written English
- Wide experience in Design industry, especially illustration
- Moderate mastery design softwares i.e: Adobe Photoshop, Adobe Illustrator, Adobe Flash, Corel DRAW, etc.
- Moderate mastery in photography
