ABSTRACT

Eka Octaviana 44303024. The role United Nations Children Fund (UNICEF) in the Handling of the Worker Anak Sex in India. Bandung, Prodi International Relation, the School Sciences And Politics, the Indonesia computer University 2011.

India obtained the additional profit from the sector tourism that contributed many to Indian economics with the increase in the sex worker against the child by being made the child as the prostitution worker by him that connected with the tourism field that was know with term child sex tourism.

UNICEF as one of the International organization that handled the problem of human rights especially the child's rights. UNICEF helped the Indian government in the handling of the worker of the child's sex, the child's sex. UNICEF carried out his program, including being the program child protection and the protection and children right. Was based on this problem, was formulated by the problem as follows "how the role that was carried out United National Childrens Found (UNICEF) in the handling" of the "worker of the child's sex in India?".

As reference towards the problem of the research, was raised by theories in the major's premiss and minor. As for the major's premiss that was used was international relations. Pluralisme, The International co-operation, the International Organisation and Organized Crime. Whereas his minor premiss was UNICEF and the child's prostitution. The research method that was used in this research was the descriptive method analytical, that is depicting the problem afterwards was processed as available problem thought the data that was gathered afterwards was processed as well as in compiled by being based on theories and the concepts that were used, then the hypothesis that was taken as follows "UNICEF played a role thought the child Protection program and Children Right could reduce the worker of the child's sex in India".

Based n the receipt and data processing, could be concluded that UNICEF not all the gave the role in undertaking the program child protection, for children who became casualties of the sex worker.

The key word : the International Organisation of the Government, the Worker the Child's Sex.
