ACKNOWLEDGMENT

I express praise and thank to Allah S.W.T who gives me much bounties and the easiness to finish this research. Finally, I can finish the research entitled "Adverbial Hedging Construction in Movie Scripts (A Study of Pragmatics)" which was made to fulfil one of the course requirements in English department of UNIKOM.

This research aims to explain the intention of the speaker, the interpretation and the response of the hearer in movie scripts through the communication strategy called hedging.

However, this research would never be finished without the support of people who involved to the process of making this research. Thus, I wish to express my gratitude to:

1. Prof. Dr. H. Moh. Tadjuddin, M.A., the dean of English department of UNIKOM,
2. Retno Purwani Sari, S.S., M.Hum., the head of English department and the first advisor,
3. Tatan Tawami, S.S. , the second advisor,
4. Asih Prihandini, S.S., M.Hum., the secretary of English department and the commission of skripsi.
5. Dr. Juanda, the homeroom lecturer of 2007.

I hope this research can be useful for everyone who reads it and for the next researchers who want to continue this research.
