The lesson of walisongo history introduced at 5th grade of primary school on the subjects of Social Sciences and History of Islamic Culture at 6th grade of Islamic primary school. But the student's paradigma in these lesson is not good because the students considers the lesson that being taught is too complicated, extensive, and likely a lot of memorizing.

Therefore, a media is needed that can assist teachers in delivering the lesson of Walisongo history and to draw the attention of students to study the walisongo history in the form of educational games.

By developing the educaational games of Walisongo history is expected to attract students to learn history of Walisongo and can be used as an alternative medium of learning to assist in the learning process, particularly on the lessons of history of Walisongo.
