Dipa Nusantara Aidit, we all known him as a communist leader who succeded to bring PKI to its glorious era and its doom at once. He was remain as the mastermind of the 30 September 1965 tragedy. Who knows, behind his negative images that's already stuck with him, Aidit takes the important role in the struggle for Indonesian Liberty. His struggle in colonial era never been written in any book history in Indonesia.. His story was vanished like a ghost, without any traces.

By the design of graphic novel book with title *D.N Aidit A Man Behind The Name*, it expect can bring back the Aidit figure who hasbeen forgotten for so long. In this book, the writer try to reveals another side of him. His role in Indonesian freedom, and also his carrier in politics during and after the Independence Day, until his tragic fallen.

Keywords : *Design, Graphic Novel, Aidit*
