One reason why Indonesia is one of the big nations in the world, its because Indonesia having very long history, start from animisme era till reform era time. Sumpah Pemuda is one of the biggest events in Indonesia history, therefore the writer traying to lift the event of Sumpah Pemuda return upraised to surface after enough sink in this modern era.

Writer overcome the problems by making a media that capable to increase enthusiasm from target audience, that are child with age 17 year till 25 year old. That media is Video Infographic, hopefully can give meaning and benefit for young people on the present.
