Ahmad Dhani Prasetyo is a producer and musician who had so many great work in Indonesian music. Ahmad Dhani work had so many fanatic listeners because his works has a experimanting and poetic loveable lyrics.

The lack of media information for Ahmad Dhani works and the band his formed, until now there is no media who has compile about cd's interactive to Ahmad Dhani bands, there isn't any single media who has gathered all of Ahmad Dhani work from his formed bands.

From the result I've got, it's so necessary to make a media project about Ahmad Dhani to bands his formed because there is so much masterpiece works has been made.
