In this page, I would like to dedicate, and appreciate my deepest gratitude for my beloved parents, Mr. and Mrs. Ahmad Thank you very much for your love, and support for me. There is nothing else I could say to express my gratitude. I am very happy for being your son, and I will always remember your words, “Having faith in my son is a father’s duty, I believe you can do anything”

My advisor Mrs. Nungki. Thank you very much for your help in guiding me to write research proposal which was a starting to complete this Skripsi. For the last, but not least thanks to all my friends that I cannot mention here one by one, thank you very much for the support all these times.
