| 2.1.1 Tinjauan Penelitian Terdahulu     | ....................................................................... | 9  |
2.1.2 Tinjauan Ilmu Komunikasi ................................................................. 12
  2.1.2.1 Definisi Ilmu Komunikasi ......................................................... 12
  2.1.2.2 Fungsi Ilmu Komunikasi ......................................................... 13
  2.1.2.3 Konteks-konteks Ilmu Komunikasi ........................................... 15
2.1.3 Tinjauan Komunikasi Terapeutik......................................................... 16
  2.1.3.1 Pengertian Komunikasi Terapeutik ........................................... 16
  2.1.3.2 Tujuan Komunikasi Terapeutik ............................................... 16
  2.1.3.3 Manfaat Komunikasi Terapeutik ............................................. 17
  2.1.3.4 Prinsip-prinsip Komunikasi Terapeutik ................................... 17
  2.1.3.5 Sikap Komunikasi Terapeutik ............................................... 19
  2.1.3.6 Teknik-teknik Komunikasi Terapeutik .................................... 20
  2.1.3.7 Fase-fase Komunikasi Terapeutik ......................................... 25
  2.1.3.8 Konselor ................................................................................ 27
  2.1.3.9 Sikap dan Keterampilan Konselor ........................................... 27
  2.1.3.10 Pasien .................................................................................. 29
2.1.4 Tinjauan Tentang Konseling ............................................................... 29
  2.1.4.1 Pengertian Konseling .............................................................. 29
  2.1.4.2 Tujuan Konseling ................................................................... 30
  2.1.4.3 Fungsi Konseling ................................................................... 32
2.1.5 Tinjauan Komunikasi Antar Pribadi ................................................... 33
  2.1.5.1 Definisi Komunikasi Antar Pribadi ........................................... 33
  2.1.5.2 Karakteristik Komunikasi Antar Pribadi ................................... 34
2.1.6 Tinjauan Tentang Napza dan Narkoba ........................................ 35
   2.1.6.1 Penggolongan Narkotika ................................................... 36
   2.1.6.2 Psikotropika ................................................................. 36
   2.1.6.3 Zat Adiktif ................................................................. 37
2.2 Kerangka Pemikiran .................................................................. 41

BAB III .......................................................................................... 46

METODE PENELITIAN ................................................................. 46

3.1 Desain Penelitian ..................................................................... 46
   3.1.1 Penelitian Kualitatif .......................................................... 46
   3.1.2 Studi Deskriptif ................................................................. 47
3.2 Informan Penelitian ............................................................... 49
3.3 Teknik Pengumpulan Data ....................................................... 51
3.4 Uji Keabsahan Data ............................................................... 54
3.5 Teknik Analisa Data ............................................................... 56
3.6 Lokasi dan Waktu Penelitian .................................................. 58
   3.6.1 Lokasi Penelitian .............................................................. 58
   3.6.2 Waktu Penelitian .............................................................. 58

BAB IV .......................................................................................... 60

HASIL PENELITIAN DAN PEMBAHASAN ................................. 60

4.1 Gambaran Objek Penelitian .................................................... 62
   4.1.1 Tentang Klinik BNNP Jabar ................................................ 62
4.1.1.1 Visi Klinik BNNP Jabar ................................................................. 63
4.1.1.2 Misi Klinik BNNP Jabar ............................................................ 63
4.1.1.3 Logo Klinik BNNP Jabar ........................................................... 63
4.1.1.4 Struktur Organisasi Klinik BNNP Jabar ................................. 64
4.1.2 Komunikasi Terapeutik dalam Konseling ................................ 65
4.1.3 Deskripsi Identitas Informan Kunci dan Informan Pendukung .... 65
  4.1.3.1 Informan Kunci ....................................................................... 67
  4.1.3.2 Informan Pendukung .............................................................. 72
4.1.4 Analisis Hasil Penelitian .............................................................. 73
  4.1.4.1 Fase Pra-interaksi Komunikasi Terapeutik dalam Konseling
        antara Konselor dan Pasien Penyalahgunaan Narkoba ............. 73
  4.1.4.2 Fase Orientasi Komunikasi Terapeutik dalam Konseling antara
        Konselor dan Pasien Penyalahgunaan Narkoba ................... 77
  4.1.4.3 Fase Kerja Komunikasi Terapeutik dalam Konseling antara
        Konselor dan Pasien Penyalahgunaan Narkoba .................... 84
  4.1.4.4 Fase Terminasi Komunikasi Terapeutik dalam Konseling antara
        Konselor dan Pasien Penyalahgunaan Narkoba .................... 89
4.2 Pembahasan .............................................................................. 94
  4.2.1 Fase Pra-interaksi Komunikasi Terapeutik dalam Konseling antara
        Konselor dan Pasien Penyalahgunaan
        Narkoba ..................................................................................... 95
  4.2.2 Fase Orientasi Komunikasi Terapeutik dalam Konseling antara Konselor
        dan Pasien Penyalahgunaan
        Narkoba ..................................................................................... 101
4.2.3 Fase Kerja Komunikasi Terapeutik dalam Konseling antara Konselor dan Pasien Penyalahgunaan Narkoba......................................................................................................................106

4.2.4 Fase Terminasi Komunikasi Terapeutik dalam Konseling antara Konselor dan Pasien Penyalahgunaan Narkoba......................................................................................................................113

4.2.5 Komunikasi Terapeutik dalam Konseling antara Konselor dan Pasien Penyalahgunaan Narkoba......................................................................................................................116

BAB V............................................................................................................................................126

KESIMPULAN DAN SARAN..............................................................................................................126

5.1 Kesimpulan................................................................................................................................126

5.2 Saran.........................................................................................................................................129
