Every human being basically has a goal in every life. A goal that started on how he will be able to realize the dream he achieved it can a goal well, starting from wishful - thinking do it saw others who were all indeed happen to anyone. Dreams or a goal to be realized it will pass through the step by step that will front, from within yourself up out of yourself will bring us how it can be seen through it.

A long stories how Bambang Pamungkas *can achieve what you want to accomplish childhood, something which can become quite annoying road on the way to achieve goals - his, it all must pass like it or not, because it could be something that we can be sometimes interfere turning point in how we can achieve what we want to achieve, here the story begins from a soccer shoes, soccer shoes that become favorite objects but becomes something that is not convenient to use in playing football, can then learning how he should pass it all.*

Keyword *:* Bambang Pamungkas*, Football, Dreams, Visual*
