Situ Bagendit legend comes from Garut West Java. There so many moral messages are conveyed. The moral messages are good enough if we applied in daily lives. Situ Bagendit folklore are ploddingly forgotten by society, because a lot of stories from outside that are packed well. This Situ Bagendit Legend will last long if it packed following the age aterattion so it will not lose compete with the outer stories.

Support from the younger generation are needed to civilize the folktale so it will not vanish along with the age alteration from this issues, we need comics designing.
