ACKNOWLEDGEMENT

At the completion of this job-training report, I am thanking God for the blessing of my life in many ways. I thank the good God for having so arranged my life that I have had many people supporting me. At the end of my work, I will find myself reflecting on those people who have helped me along the way. As it should be, the list begins with my parents, my mother, who always shows her love with everything that only she can do and no one else, and my father, who always gives me a chance for having what I want to do. I love you and my heart is with you all.

I'd also like to thank my sister and my brother—Wiwin and Rizal. They will be one of my reasons why I have to keep spirit.

Ervin always deserves my thanks for all she does to support me write this job training report. I am lucky to be with you. To all my friends, who have given me inspirations when I had no idea to write, you all guys should deserve my thanks.

Thanks to all my lectures too and I appreciate the care they show to me in many ways especially to my advisor lecture, Mrs. Diny, thanks for tolerating the fact that I am endlessly late on delivering the job-training report to be reviewed and edited.
