DESIGNING T-SHIRT DESIGN ANGKLUNG FESTIVAL OF CULTURE AND TOURISM DEPARTMENT (Disbudpar) BANDUNG

iii pages, 16 Pages, Chapter 4, Appendix 1

Report writing is motivated because graphic design, relatively wide area coverage, one of which is a graphic design on t-shirts. Today, t-shirt design is often used as a communication medium in the form of solicitation, appeal, and so on.
Department of Culture and Tourism (Disbudpar) Bandung is the official in charge of the management culture and tourism in the area. Field of Arts and Culture, Disbudpar Bandung, conduct a program that aims to introduce the angklung culture as a culture that will be inherited and preserved by the future generation. The Angklung festival was attended by participants Early Childhood Education (early childhood) in Bandung. Early age children know it is very important.
Authors are required to make the festival t-shirt design and search visualization angklung about anything that are characteristic of the West Javanese culture such as arts and Cepot angklung into a festival of media in the form of t-shirts
In making t-shirt design, the authors combine both cultural heritage that is the cepot character who was holding angklung musical instrument.
