CHAPTER IV

CONCLUSIONS AND SUGGESTIONS

4.1 CONCLUSIONS

During implementing job training, there are two *"Pesona Wisata"* leaflets translated from Indonesian language to English language. In translating *"Pesona Wisata"* leaflets requires more understanding. There are some problems encountered when translating *"Pesona Wisata"* leaflets. Therefore, in solving the problems, it must always be paid attention to the context and the chosen words. In addition, the Department of Culture and Tourism is very cooperative for giving the author solutions in solving the problems. So, the job training process finishes successfully.
