ABSTRACT

Komikoo.com is an Indonesian comic online site featuring the works of its member, spearheaded by Oray Studios. A community site that wants to be a vanue of talented local comic artist or illustrator but haven't find a place to display his works.

Practical work done in PT. Genta Cipta Komunika (Oray Studios) from 28 March 2011-25 May 2011. During the 3 days a week with a time of working hours starting at 14:00 to 18:00 on Monday and 9:00 pm - 18:00 pm on Tuesday and Wednesday. This practical work aimed to introduce the world of professional work to the students, so students are ready and able to work in the real world of work.

During the implementation of practical work in Oray Studios, the author was assigned to create a character sketch comics (comic cane), coloring products (Glee-speaker mini pom poms) using Photoshop, sketching the character of the various expressions and coloring to make animations, making the child and the school logo cantigiarina comic.
