Asma'ul Husna is a way for Muslims to recognize Allah as his God. In knowing Allah as God, is not limited by age because as a baby born into the World can not be separated from the learning process. Therefore, the study of knowledge especially knowing the Creator from an early age is an important learning process for children. However, there are still many children who do not know and understand Asma'ul Husna. Because of the difficulty is due to various causes children to know and understand Asma'ul Husna. Therefore, to help children make it easier to learn and understand the required Asma'ul Husna right solution.

The solution was to introduce Asma'ul Husna to children through illustrated stories. Because children at this age are in the process of learning to read, count, recognize letters, numbers and pictures. Therefore, to facilitate children in identifying and understanding Asma'ul Husna is to provide information through the media picture story.
