Databases Available In eLibraryUSA

eLibraryUSA provides access to nearly 20 authoritative databases to members of American Spaces worldwide. The collection includes resources about current events, business news and information, health, science and technology, English language learning and arts and culture.

CURRENT EVENTS

Global Issues in Context

Global Issues in Context offers international viewpoints on a broad spectrum of global issues, topics, and current events. Featured are hundreds of continuously updated issue and country portals that bring together a variety of specially selected, highly relevant sources for analysis of social, political, military, economic, environmental, health, and cultural issues.

ENGLISH LANGUAGE LEARNING

English Language Learner Reference Center

Use English Language Learner Reference Center for voice over reading and comprehension exercises.

SCIENCE AND TECHNOLOGY

Gale Science in Context

Gale Science in Context is a database of information about hundreds of science topics. Content is combined with magazine articles, academic journals, images, videos, and audio files into a user-friendly portal.

GREENR

GREENR focuses on the physical, social, and economic aspects of environmental issues. Use Browse Issues and Topics, World Map, Basic Search or Advanced Search to explore the database.

HEALTH

Teen Health and Wellness

Teen Health and Wellness provides teenagers and preteens with straightforward information about such topics as diseases, drugs and alcohol, nutrition, mental health, personal finances, and more.

HIV RAP Interactive

HIV RAP Interactive offers a multimedia guide to HIV/AIDS awareness and prevention. It includes information on HIV testing and dealing with the realities of living with HIV and AIDS.

BUSINESS NEWS AND INFORMATION

Business Source Premier

Business Source Premier provides full text for more than 2,300 journals, including 1,100 peer-reviewed titles. This database provides full text back to 1886, and searchable cited references back to 1998.

Gale Directory Library

The Gale Directory Library hosts a variety of directories covering contact information, financial information for corporations, circulation figures for publications, and more. Directories can be searched individually or cross-searched over multiple titles.

ARTS AND CULTURE

Literature Resource Center

Literature Resource Center is a comprehensive database on literary topics, authors, and their works. It includes full-text scholarly articles from more than 360 academic journals and literary magazines, full text of thousands of poems and short stories published in contemporary journals and magazines, and book reviews and biographical essays.

LitFinder

LitFinder is a repository of full-text literary works, including around 150,000 poems, short stories, plays and speeches.
