CHAPTER II

THE JOB AT BALAI BAHASA PROVINSI JAWA BARAT

2.1 Balai Bahasa Provinsi Jawa Barat

Balai Bahasa Provinsi Jawa Barat is located at Jalan Sumbawa No 11th, Bandung. It is an institution that carries out the research, and development of language and literature. Beside of that, Balai Bahasa also has so many programs of linguistics every year. The programs are UKBI (*Uji Kemahiran Berbahasa Indonesia*), festival of literature, research of historical literature and others.

2.2 Job Position in Balai Bahasa Provinsi Jawa Barat

In Balai Bahasa, the writer is take the position as linguistics section for two months and assigned to make a book about linguistics. Next, it will be printed and published if the discussion and the language that the writer used are very interesting to read. So when two months worked there, the writer tries to make a book discussing about slang terms in English. And then that slang terms in English will be discussed into Bahasa.

2.3 Responsibility

After two months works in Balai Bahasa, the book was successfully printed but not published yet. And the title is "*Yuk Mengenal Istilah Slang Dalam Bahasa Inggris*". This is an informal book, because the writer so sure that everything that discussed here are not taught at school. But the important thing,

the terms that discussed in this book will be very important. Because in here, so many people in Indonesia don't know about the existence of slang terms in English.

Here is the picture of the book "*Yuk Mengenal Istilah Slang Dalam Bahasa Inggris*":
